

Data Protection – Consent to Store Member Data

Zonta International, its districts, clubs and agents must store, host and otherwise process the information, including personal data supplied by all members when registering for membership of Zonta International. This data will be stored at Zonta International Headquarters in Oak Brook, IL, USA. By registering for membership, users are giving their consent that the personal information they have provided can be stored in countries outside their home country.

Zonta International does not trade, sell or rent your personal information to third parties, unless required by law. Members may opt out of having their personal information posted in the member directory on the website.

Members may change their information by sending an email to memberrecords@zonta.org or by mail or by using the member update feature in the My Zonta section of the website.

Consent to store member data

I hereby give my consent to Zonta International and Zonta International Foundation to store the personal membership information I have provided by applying for membership and added during my membership years, including any photographs of me taken in connection with Zonta activity, on its servers in the USA and I undertake to renew or withdraw this consent with the club on an annual basis. I undertake not to sell, rent or disclose any member data information in my possession to any third party.
